If coming from Naval Station Norfolk

- 564 to I-64
- Exit 286 E. Indian River Road.
- About 10 miles right onto W. Neck Road.
- Right onto Princess Anne Road.
- Range is at end of Marvin Road just out of sight.
- You will pass Creeds Elementary School on your left.
- 2.9 miles before Marvin Road will be a SUNOCO gas station on your right.
- C2 has a very small sign on right side of road. Difficult to see. Princess Anne Rd will make a 90 degree turn about 200 feet after Marvin Rd. THERE IS A FLASHING YELLOW LIGHT AT THIS TURN. Speed limit is 30 MPH. If you make this turn you just passed Marvin Rd.
- Marvin road looks like a gravel driveway. There are a couple houses on your left. Range is out of sight at this time.

From downtown Norfolk. Take I-464 south, cross over I-64.

Road now turns into route 168.

Drive about 6 miles and take second Mt Pleasant road exit. Now heading east.

Drive about 7 miles. At second light, make right onto Fentress Airport road.

NOTE. There are McDonalds, 7-11 and Wendy's before you get to second light should you want something to eat.

Drive about 200 yards and make left onto Blackwater Road.

Drive about 12 miles and make left onto PUNGO FERRY ROAD.

At end of Pungo Ferry road, make a right onto Princess Anne.

MONK's hamburger place is just in front of you. One story red building.

SUNCO will be on your right, just pass REDHEAD Café.

Four miles later.

- C2 has a very small sign on left side of road. Difficult to see. Princess Anne Rd will make a 90 degree turn about 200 feet after Marvin Rd. THERE IS A FLASHING YELLOW LIGHT AT THIS TURN. Speed limit is 30 MPH. If you make this turn you just passed Marvin Rd.
- Marvin road looks like a gravel driveway. There are a couple houses on your left. Range is out of sight at this time.

There are other directions to get to C2. All of them involve back roads. Drive safe and give yourself time to get to class.
