

MILITARY SEALIFT COMMAND

TRAINING CENTER WEST (TCW) SAN DIEGO, CA

GENERAL INFORMATION FOR CIVMARS

0630-1430 only

Admin Office: (619) 556-9910

Director: (619) 556-9469

The mission of TCW is to provide training to Mariners as required by MSC directives.

CIVMARS will be assigned to classes by their Marine Placement Specialists.

See <https://civmar.sealiftcommand.com/training> for addition training information, training schedules, training request forms and Training Specialist contact info.

All classes start at 0700.

ATTIRE FOR CLASSES: No open toed shoes. We provide PPE when required. Students need to bring a towel and change of clothes for day 2 of BT-R and day 2 of MSC-R.

CLASSES AT TCW-NBSD - 3975 Norman Scott Road, San Diego, CA 92136 – See pages 2 and 3 for details on location.

- Basic Training – Basic Training Refresher (PSSR, First Aid, CPR, Survival and Firefighting)
- Advanced Firefighting – Advanced Firefighting Refresher
- MSC Renewal / Recertification (Helo FF, Damage Control, CBRD and EP)
- Rating Forming Part of a Navigational Watch (R.F.P.N.W.)

CLASSES AT TCW-BATS - 9284 Balboa Ave. San Diego, CA 92123 – See page 4 for details on location.

- Small Arms
- Advanced Watch
- Ships Reaction Force
- Fall Protection Recertification

As guests/visitors on US Navy property, all persons attending training at TCW will be subject to all security related regulations without exception.

BASE ACCESS (NBSD) - Current Common Access Card (CAC) required.

There are three (3) entry/exit points to the dry side of the 32nd Street Naval Base:

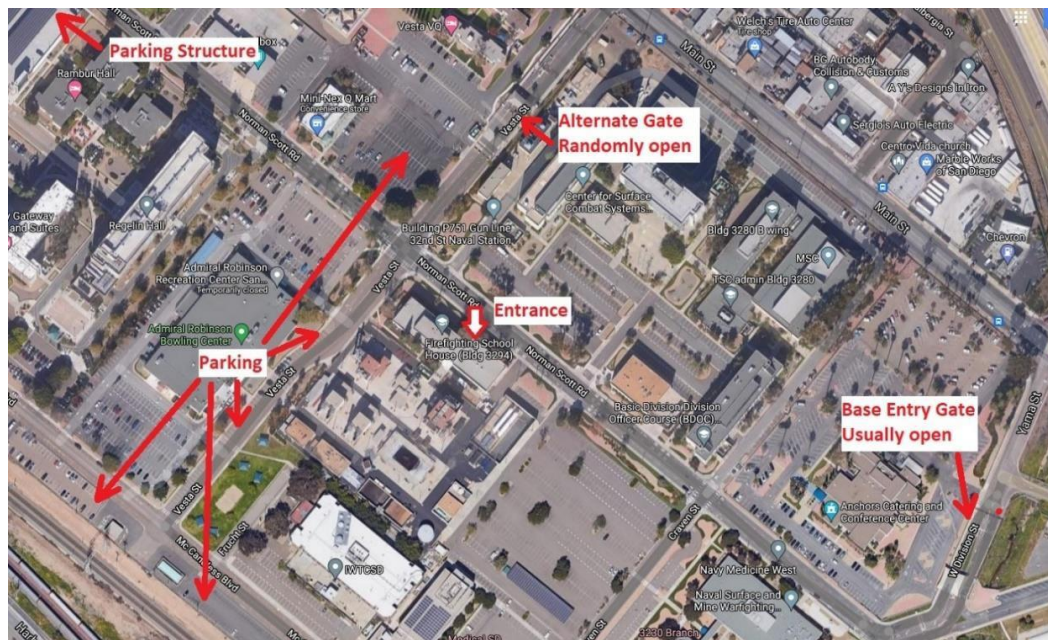

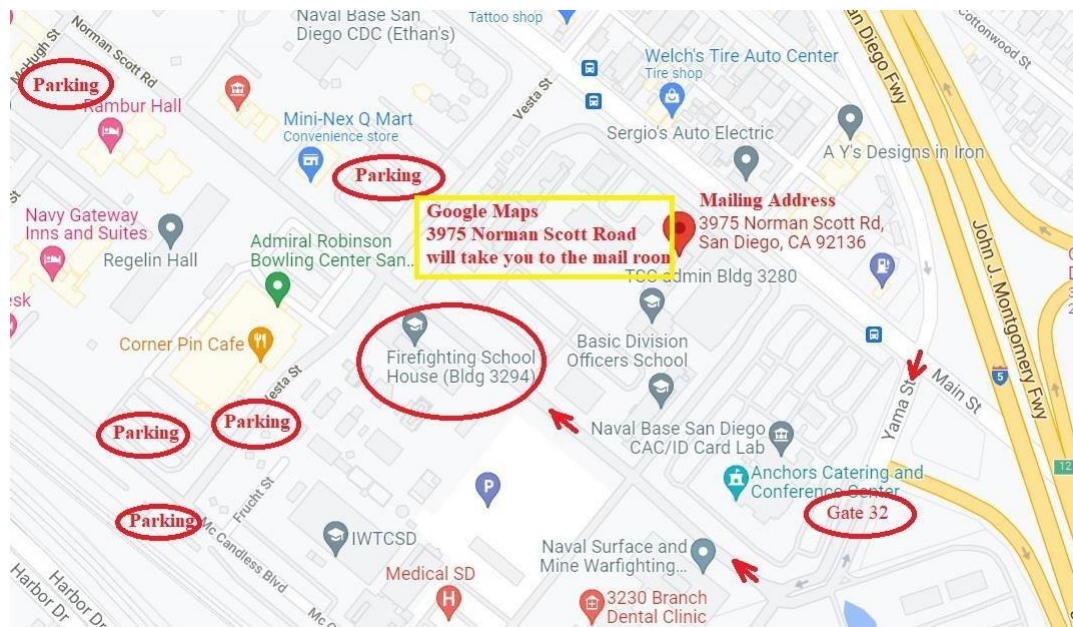

- Gate 32 on Yama Street/Division Street - preferred entry point.
- Gate 43 on Norman Scott Road at 32nd Street.
- Gate 29 on Vesta Street

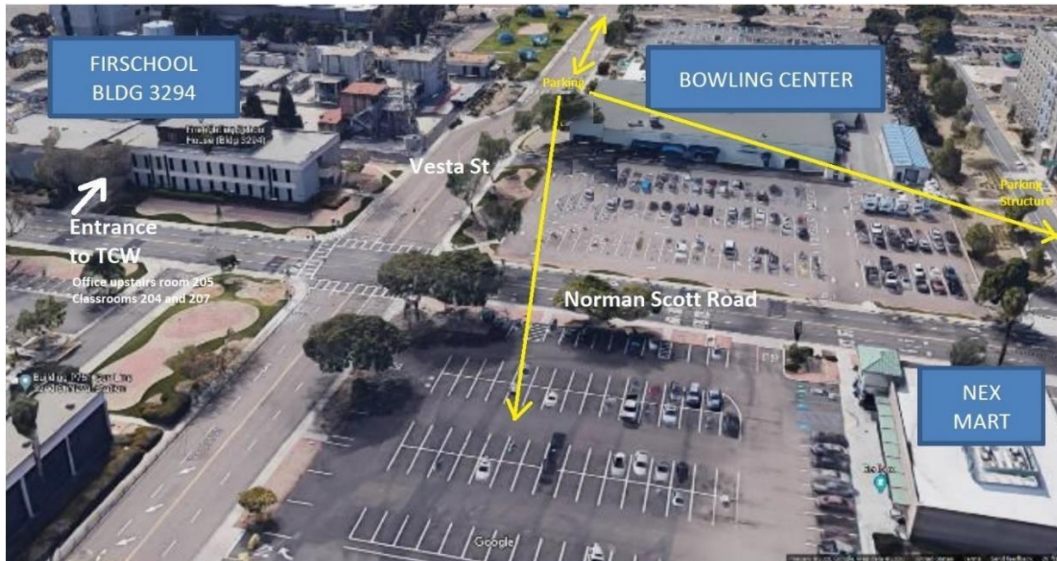

*Under no circumstances will any TCW staff member escort any person onto the base who fails to meet the access requirements given above.

NOTE: All vehicles must have current registration and proof of insurance available at all times (rental agreement satisfies this requirement) and are subject to random inspection by NBSD security personnel at any time.

Note: 3975 Norman Scott Road is our mailing address. Many GPS systems will get you close to our location, but will not provide accurate directions together of our building locations. Please reference the included maps to better locate our facilities.

The MSC-TCW office (room 205) and Classrooms 204 & 207 are located on the second floor of building 3294. (SW corner of Norman Scott Rd. and Vesta Street).

CONTRACT HOTELS PROVIDE TRANSPORTATION TO TCW.

San Diego Transportation between training sites and the hotels, contact

Earl: (619) 843-6031

OTHER TRANSPORTATION OPTIONS:

San Diego Trolley-Blue Line

- Stop at PACIFIC FLEET station.
- Walk one block (NE) on 32nd street.
- Right onto Norman Scott Road (Gate 43).

Taxi Services

Several taxi and shuttle companies have drivers who are authorized access to Naval Base San Diego. Patrons may be picked up and dropped off at designated locations on base.

Note: You are still required to show your CAC to gain access to the base. Each company has an assigned driver with base access. When you call the company you must request a driver with base access. Before entering the cab ask to see the driver's base access pass.
