

Unlicensed Junior Engineer

MERIT PROMOTION OPPORTUNITY ANNOUNCEMENT

Announcement #	26-331-01MPOC **AMENDED BASE SALARY**		
Title, Series, Grade, (Code):	Unlicensed Junior Engineer, WM-9954-15 (331)		
Base Salary:	\$66,821 Per annum		
Opening Date:	October 1, 2025	Closing Date:	Open continuously with periodic cutoffs
Location:	Military Sealift Command (MSC) Vessels Worldwide		
Who May Apply:	<p>Due to critical shortages in this rating, applications will receive immediate consideration upon receipt. Selections will be made until critical shortages no longer exist. Open to all permanent qualified Military Sealift Command (MSC) Civil Service Mariner (CIVMARS) employees. Applicants, who previously applied under 25-331-01MPOC, must reapply, if they wish to be considered for this position.</p>		
Duties:	<p>The Unlicensed Junior Engineer is a Civil Service Mariner (CIVMAR) employed by the Navy to serve the Military Sealift Command (MSC) onboard naval auxiliaries and hybrid-manned warships worldwide, in peace and war. MSC exists to support the joint warfighter across the full spectrum of military operations. MSC provides on-time logistics, strategic sealift, as well as specialized missions anywhere in the world, contested or uncontested environments.</p> <p>Unlicensed Junior Engineer works directly under the supervision of the licensed watch engineer that he/she is assigned to, or the First Assistant Engineer if he/she is a day worker. The Unlicensed Junior Engineer is responsible for making rounds of the engine room and outside spaces while on duty recording all plant temperatures, pressures, fuel meters, water meters, and revolution counters as designated by the engine room log book. The Unlicensed Junior Engineer makes rounds at a frequency designated by the Chief Engineer and the Watch Engineer. They will stand watches designated by the Chief Engineer. They report all abnormal conditions directly to the engineer on watch. The Unlicensed Junior Engineer will take tank soundings, test water, and operate evaporators to fill various water tanks as required. They will take readings on evaporators, fill out evaporator logs, and acid clean evaporators when needed. They will stand by main control station while maneuvering and assist the watch engineer with answering bells from bridge. In addition, they will perform</p>		

	<p>maintenance and repairs as directed by the watch engineer. As a day worker, the Unlicensed Junior Engineer will perform various maintenance and repair work as directed by the First Assistant Engineer or his/her designate. They will assist in the taking-on and off-loading of fresh water, lube oil, fuel oil, and connecting and disconnecting all shore services. The Unlicensed Junior Engineer will know the locations and uses of all firefighting, damage control and rescue equipment in the engineering spaces. They will know the locations and how to operate all emergency remote shut down devices. The Unlicensed Junior Engineer will have a thorough knowledge of all casualty control procedures, main space fire doctrine, and rescue procedures. The Unlicensed Junior Engineer shall know all environmental protection and pollution laws. They will also have a thorough knowledge in the operation of all pollution abatement equipment. During underway Replenishment operations the Unlicensed Junior Engineer will perform all duties as assigned. Everything in this Position Description is considered to be an essential function of this position. Performs all other duties as assigned.</p>
<p>Minimum Eligibility Requirements:</p>	<p>1. Must possess current and valid:</p> <ul style="list-style-type: none"> • USCG Merchant Mariner Credential (MMC) endorsed as: QMED Junior Engineer <p style="text-align: center;">OR</p> <ul style="list-style-type: none"> • QMED Any Unlicensed Engine Rating ("Any" indicates mariner holds all Five (5) Unlicensed Engine Department Ratings) <p style="text-align: center;">AND</p> <ul style="list-style-type: none"> • STCW Certificate endorsed as: <ul style="list-style-type: none"> -Rating Forming Part of an Engineering Watch (RFPEW) -Able Seafarer Engine. <p>COPIES OF CERTIFICATES AND DOCUMENTS ARE NOT REQUIRED BUT ARE TO BE LISTED ON THE MSC PROMOTION APPLICATION FORM UNLESS DOCUMENTATION IS SUPPORTING COMMERCIAL EXPERIENCE OTHER THAN MILITARY SEALIFT COMMAND EXPERIENCE.</p>
<p>Evaluation Criteria:</p>	<p>Applicants who meet the Minimum Eligibility Requirements described above will be further evaluated. Documented knowledge, skills, and abilities, education, training, and awards contained in the application package and resume will be reviewed and rated to determine the degree to which applicants possess the required knowledge, skills, and abilities listed below that are essential to perform the duties and responsibilities of the position for which applicants are being considered.</p>

	<ol style="list-style-type: none"> 1. Knowledge of ship's main propulsion plant/engineering plant operation. 2. Ability to maintain and operate the ship's auxiliary machinery equipment. 3. Knowledge of ship's boiler's and engine operation. 4. Skill in computer, oral and written communication, including demonstrated ability to use common MSC applications such as MS-Office, SAMM, LogBook, ShipClip, etc. <p>To earn the highest rating possible, you are encouraged to submit detailed information of the knowledge, skills, and abilities listed above. Related MSC, military, and/or commercial experience, etc., will also be part of the rating process.</p>
<p>Conditions of Employment:</p>	<ul style="list-style-type: none"> • All MSC Civil Service Marine positions are subject to random drug urinalysis testing and require participation in vaccine immunization program. As the laws for marijuana usage become legal for some states, it is still illegal at the Federal level and will have the same impact on suitability and security as it did before. In order to be permanently promoted for this position, the selectee must: • Meet the medical, dental and mental requirements, • You will be required as a condition of employment to obtain and maintain a U.S. Special Issuance Passport (also referred to as an official or maroon passport), • Successfully complete the training requirements, • Be clear of any adverse or disciplinary action, • Be able to obtain and maintain the appropriate security clearances, • Be ready, willing, and able to physically perform the duty of this position worldwide at all times, • Be ready, willing, and able to, work in shipboard environmental conditions, and wear protective equipment worldwide at all times, and • Have overall "Excellent" or above evaluation ratings.
<p>How to Apply:</p>	<p>ALL documents MUST be postmarked by the cut off or closing date of this announcement (Eastern Standard Time). MSC is not responsible for obtaining documents to include in your package.</p> <ol style="list-style-type: none"> 1. Application packages will not contain national security classified information. Inclusion of classified

information is a security violation and **WILL** disqualify an application from consideration and appropriate administrative or disciplinary action, up to and including removal, **WILL** be taken. Depending on the severity of the security violation, it may be considered a violation of U.S. criminal law under United States Code Title 18 or Title 50, and appropriate action taken. Should there be a desire to include information that was cited in a Bravo Zulu message regarding performance, the applicant can cite the message DTG and include pertinent UNCLASSIFIED comments in their resume or elsewhere in the application. No change from previous guidance.

2. In order to preclude any Privacy Act, HIPAA or other like violations, applications shall not include date of birth, full Social Security Number, references to religion, national origin, sex, race, etc., photographs, CD's, news clippings or medical information/records. With regard to news clippings, articles, or the like - if these documents contain information, experience or accomplishments that are in direct relation to the position that the applicant is applying for, he/she may reference them with a summarized explanatory note. Where and how to do that is left to the applicant's discretion. No change from previous guidance.

3. Application packages are to be one-sided and shall not exceed 35 pages (evaluations are excluded from this page limitation). Application packages shall not be stapled, taped, spiral bound, or placed in three ring binders. A paper clip, binder clip, or folder is recommended. Standard business format and font, to the extent practicable (i.e. Courier New, 12 pitch), is recommended. Application packages that exceed the page limitation WILL NOT be considered. No change from previous guidance.

4. As noted above, application packages **SHALL NOT** exceed 35 one-sided pages. The following documents are required and are to be packaged in the following order:

a. Completed MSC Promotion Application.

b. Resume. All resumes must show sufficient experience and/or education, knowledge, skills, and abilities to perform the duties of the specific position for which applicants are being considered in order to receive maximum credit. Resumes shall include the following information:

(1) Full name.

(2) Highest CIVMAR permanent position held and inclusive dates.

(3) Relevant work experience within the last 5 years including paid and non paid public or private sector work experience related to the job for which applying.

(4) Colleges or universities name, city, and state (with zip code), major(s), type and year of any degree received (if no degree, show total credits earned and indicate whether semester or quarter hour).

c. Summary of ship assignments including position held and dates assigned for at least the last five (5) years. However, if this information is already contained in the resume it is not necessary to duplicate it.

d. Job related training courses (list courses with title and date completed only). Do not submit copies of course completion certificates.

e. Job related honors, awards, and special accomplishments; for example, Military, Government, or recognized professional organizations related to the maritime field and performance awards (give date, type, and short synopsis of accomplishment but do not send documents).

f. Last five (5) years of evaluations signed by supervisory chain-of-command this can include MAP Evaluations. Note that MAP evaluations submitted will be used to validate the database and will be extracted from the "package" once the MAP data is identified. Evaluations do not count against the 35 page limitation. Applicants are strongly encouraged to request/review their MAP history from the MAP repository prior to submitting their application. It cannot be stressed strongly enough that the applicant should try to ensure that there are no missing MAP evaluations from their record. Request MAP Overview reports from the following address: MSC_HR_MAP_INBOX@us.navy.mil.

5. Except as otherwise stated in the advisory and the specific POA to which the applicant is responding, the overall score will be reduced if the applicant fails to submit required information according to the instructions contained in the advisory or POA.

6. Failure to submit required information to show that

	<p>you meet the minimum qualifications as outlined in the POA will result in the applicant being found ineligible.</p> <p>7. All applications and supporting documents will become the property of MSC and will not be returned to the applicant once submitted. Applicants are encouraged to make copies prior to submission.</p> <p>8. Any questions may be directed to the MSC Employment Division via email at MSC_POAInbox@us.navy.mil. Inquiry responses will be provided within 2 business days.</p>
